

Insurance solutions to get you across the finish line

Gallagher has a tailored Marine Hull insurance program available to the entire paddling community, be it individuals or club / state / national bodies.

Premiums start from as little as \$80. Providing full accidental loss or damage cover anywhere in Australia including both inland and coastal waters 24/7.

Cover extends to whilst stored, in transit, whilst racing and even when used for personal use. As well your own personal use liability to third parties.
